SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each

proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. Type of Information Collection Request: Extension of a currently approved collection; Title of Information Collection: Prospective Payments for Hospital Outpatient Services and Supporting Regulations; Use: The Secretary is required to establish a prospective payment system (PPS) for hospital outpatient services. Successful implementation of an outpatient PPS (OPPS) requires that we distinguish facilities or organizations that function as departments of hospitals from those that are freestanding. In this regard, we will be able to determine: which services should be paid under the OPPS, the clinical laboratory fee schedule, or other payment provisions applicable to services furnished to hospital outpatients. Information from 42 CFR 413.65(b)(3) and (c) reports is needed to make these determinations. Additionally, hospitals and other providers are authorized to impose deductible and coinsurance charges for facility services, but it does not allow such charges by facilities or organizations which are not provider-based. This provision requires that we collect information from the required reports so it can determine which facilities are provider-based. Form Number: CMS-R-240 (OCN: 0938-0798); Frequency: Occasionally; Affected Public: Private sector (Business or other for-profits and Not-for-profit institutions); Number of Respondents: 905; Total Annual Responses: 500,405; Total Annual Hours: 26,563. (For policy questions regarding this collection contact Daniel Schroder at 410-786-7452.)
